“ *I am so sorry that I missed the visitation and funeral. I got busy this week and forgot to check back when the services would be. I moved here my senior year in high school and Tammy was an aid in the English class I was enrolled in. That is how I got to know her. She was always so sweet and that beautiful smile. I loved getting to see her whenever I was in Walmart...and of course got to see that smile. I know that you know how special she was...just wanted you to know others thought of her the same way. Sending prayers of peace for your family, may you remember the good times. I am glad I will see her in Heaven.*

“ I am so very saddened to learn of Tammy's passing. My very heartfelt condolences to her family. Tammy and I first met when we worked together for years at Pizza Hut on main street in Miami. Tammy was an exceptional worker, always a joy to be around, and we became friends from day one, but as often happens, we lost close connection as life went on. In later years while shopping at Walmart, I often saw Tammy as she busily and happily completed her tasks, but we always took a few moments for a quick hug and to share a short moment of conversation about our current lives. I know that Tammy was a beautiful soul that loved her family dearly. I cannot express the joy I felt each time I saw her smiling face in the store when we would first catch sight of each other at our chance meetings. Rest in peace Tammy Phillips Dean. You will forever be loved and missed by many.
