“ I am saddened to hear the passing of Terry.

Terry his mother, father, sisters, and brother were our good neighbors on “L” Street in Commerce back in the 1960s. We had a lot of good times playing in the fields behind our houses and have a lot of good memories.

May the Peace of the Lord be with Terry’s family.

“*Old friend, I'm glad I knew you and that you were my friend for so many years. I'll miss you, miss knowing you're here and always love you like a brother, remembering forever the good memories we created for so many years. The last time we saw each other we said our goodbyes, not knowing that it would be our last chance to do so. That goodbye was private and personal, and it is the one I will choose to remember as I grieve in private. You were a blessing to my life, Terry.*

“I am better for knowing you, better for loving you, better for having met you. May you be as blessed in the next life, my friend, as I was in this one by knowing you.”

“ Although I haven't seen Terry for several years, he will always have a special spot in my memories. When he was only ten years old, he was one of the candle lighters in my wedding. It was an honor to become his cousin when I married Bill. Sincerely, Connie Collins
