“ Sending hugs for my cousins, Shirley and Kaye. My memories are almost as old as we three grandmothers must be by now. However, they are still as vivid as if it were yesterday! I was 12 years old when my parents loaded us kids into our Nash Rambler and drove from the Oregon Coast to Missouri to visit the grandparents. I was lucky enough to get to stay at Aunt Thelma's home for the duration of our visit. Spending precious time with cousins, Dianna, Shirley, and Kaye, whom I hadn't known, but I was made welcome. I remember getting doughnuts and milk for breakfast at Aunt Thelma's; what a treat! And, playing miniature golf, and experiencing my first ever cherry coke...still don't like them! These may seem trivial nothings to most folks, but the love and acceptance I received at Aunt Thelma's that summer have lasted a lifetime!

I remember much about making trips to Kansas and Missouri during the almost 68 years Ken and I have been married. I was watching a reunion video a couple nights ago. It was when Thelma was up and around and doing very well. Connie was in the video too. We always had great times visiting everyone there. Ken has always loved his brothers and sisters and felt especially close to Thelma. We will not be traveling back there again, but wish Ken was well enough so we could. Our trips there have always been times to remember. love and sympathies to you all, Lorraine and Ken

So many memories, Carol. The past ten years have been a privilege, although there have been tough times. She told me a few days before she passed that she loved me with all her heart and I got to tell her she was taking my heart with her. She will always be with Kaye and me. Such a wonderful person!
