“ Oh the memories of that boy. Toby had such a glow about him that I still carry with me today. Ill always remember the onery lil \*\*\*\*, the things him and the boys did always makes me smile. From Toby and them putting BB's in my valve caps to boxing in the yard. Toby was always the ring-leader. Toby would aggravate the girls but we knew he had their backs. His heart was huge! He always had that mischievous smile. Always in the woods or down at the creek. He will definitely be missed by so many. Just know my entire family have JD, Debbie and Jamie in our prayers and this is one family that I will never forget

“ I will always miss you brother! Everyday after school, playing basketball, riding around on bikes/atv's, hunting/fishing/camping/swimming and most of the time getting into trouble. All the dangerous things we did made me nervous but this guy was fearless We had our ups and downs but always made up because we were buddies. Myers family was my second. Love and miss you all. 🙏

“ Toby and I were basically inseparable all of our childhood. We hunted, fished, went swimming, rode fourwheelers, camped. You name it, we did it. My heart is beyond broken. 90 percent of my childhood memories were with him and his family. As for Debbie, JD, and Jamie, Im so sorry. I miss you three so much, as you were my second family. I love you all and just know that I'm thinking about you.
