“ *It's always hard to know what to say at times like these; especially when someone has been in the family as long as you have. Kris, you shared a special relationship with your Dad. You were always his little girl. You will miss him terribly, but remember he's still there by your side in spirit and you can take your thoughts and problems to him every day. He did enjoy life - loved golf, skeet, hunting, good food and on and on. He certainly will be missed. He was bigger than life and you are fortunate in that you have many wonderful memories. My deepest sympathy goes out to you, and if you ever need anything, you can go to God and Aunt Yvonne. Much, much love to you.*

“ *Sharon & Kris,
I am deeply sorry for your loss. I don't even know where to begin....our family has so many great memories of Tom. Especially, how he always looked after us after our dad died. When he built the tree house for us, was the best!!! We played, and played and played in it! I can only imagine the reunion he and my daddy our having! I know they are already deciding what they are going to build....and what size motor to put on it! LOL....*

Not only is he reunited with dear friends, but I know David was waiting on him at the gate!

We Love you all so much!! God is good all the time!
