“ Tracey worked at Scepter Manufacturing for more than 2 years as a Maintenance Technician. I participated in the interviewing and hiring of Tracey. He was soft spoken, had a big smile, and a sense of humor that I enjoyed. He was also a very dedicated employee. Our entire "family" of employees here at Scepter are grieving his loss and will miss him dearly.

“ Tracey was a quiet, kind and yet a great man. Most of the best times in my life involved Tracey, his brother Steven and their dad Anthony. He had an infectious smile and a laugh that could brighten any moment. I will never forget the times we shared and reflect upon them often. I often think of those times long ago when LeeAnn was born as Tracey and I would take turns rocking her - he loved to rock in his chair. He cherished his kids LeeAnn and Tony. I will miss this great man who has always been a friend, a buddy and like a brother to me. My heart goes out to his family during this time. Rest in peace my friend.

“ Remembering the happy times in the home that welcomed every child in the neighborhood day or night. No matter how noisy or chaotic it may have been, Tracey would be in his favorite chair just rocking and rocking. I can still see him as if no time had passed, cherished memories. I have loved every member of this wonderful family my entire life and wish you peace at this sorrowful time.
