“ *My love, thoughts and prayers are with all the family of Traci. May God grant strength, comfort, peace and hearts overflowing with precious memories.*

The Earnie Armstrong and Munson families go way back. There were many many nights and weekends spent on the softball fields and basketball courts as Earnie and Bobbie played in co-ed tournaments for years. Traci and Kara played together on boys t-ball teams and then on girls softball league and traveling softball teams. There were amazing memories made and will be carried in our hearts forever.

Love you all!!

“ *Fondest memories of the spunky little girl on granddaughters softball team. Her mom could not be beat as a coach that loves teaching kids the game. So sorry Bobbie, prayers for you and family. RIP Traci.*

“ We had a lot of fun together playing softball. My daughter and Traci graduated together. Her mom Bobbie is one of the sweetest ladies I know. She was always there for the girls. Traci taught my granddaughter how to ride a 2 wheeled bike. I remember seeing her riding a very small 2 wheeled bike out at the Indian house. I even had a tape of her. Traci rest in peace and watch over your family.

Pretty little Traci. My heart aches for your friends and family. We will meet again in Heaven and our friendship will continue. My son went on without me and I'm sure he's got a story or two for you. Rest now Traci, just rest.
