

Travis Sterling Roberts

December 19, 1967 - August 19, 2025

Travis Sterling Roberts, 57, a lifelong member of the Miami, Oklahoma community passed away on Tuesday, August 19, 2025. Travis chose to selflessly be an organ donor before he passed. His selfless act will go towards saving lives of individuals in Texas and Oklahoma. Travis was born in Miami, Oklahoma, on December 19, 1967. He graduated from Miami High School and later attended college. Travis was a person who enjoyed his routine. He was an early riser. He would eat breakfast every day with his mother at either Buttered Buns or Braums. After breakfast he would visit Loves and fill his cup with Diet Pepsi. In the afternoon he would return to Loves and get a refill. He also enjoyed going on road trips and travelling to new places. Travis liked to collect books and movies, and going to the gym.

Travis is preceded in passing by his father Timothy Trimble and his maternal grandparents, Pete and Roselee Reese, great grandparents Bennie and Hass Watkins, and honorary "Aunt" Paula Coombes.

Those left to share the memory of Mr. Roberts include his mother, Linda Trimble, sister, Katrina Acheson, nieces and nephews, Abigail "Rose" Saner, Mallory Sherman, Timothy Sherman, and Kortni McPhetridge, along with two great nieces and two great nephews as well as extended family members.

The family of Mr. Roberts would like to extend their thanks to Dr. Grotheer and his staff, the staff at Integris Health, and all of the staff at Grand Mental Health.

“ I have no words to describe the sorrow our family is feeling after losing our dear Travis. Travis is my cousin's son . I have known him since he was a baby. Our large extended family has shared countless times together at family gatherings where we celebrated Christmas, Easter, 4th of July, etc. At these gatherings, I always enjoyed visiting with Travis about whatever topic he was focused on that particular day. He always made me laugh in his descriptive and interesting view of whatever we discussed. In all of our conversations over the years, there were two words he said more than any others. The words were "MY MOM". Travis loved his mother dearly and throughout his years she has been his constant life support. Job well done, Linda. Because of you, Travis knew the Lord and the Lord placed Travis in your care for good reason. Our entire very large extended family will miss Travis so very much. Rest in peace Travis Sterling Roberts. You are loved more than you ever probably realized.
