“ I am so sorry to hear about your mother and my Aunt. She was such a wonderful person, my mom Dorothy was very close to Treva. They always called me little Treva when I was younger as they all said I look like her. We can all take comfort in knowing that she is with her brothers and mom and dad and they are looking down on us.  
I will miss her and will always love her..... Would absolutely love to see all of my cousins once again... My thoughts are prayers are with all of you.
