February 28, 1989 - June 29, 2019

Tyler Joe Vincent, 30, a longtime Fairland Resident passed away on Saturday, June 29, 2019 in Fairland. Tyler was born on February 28, 1989 in Miami to Terry J. and Kelly Ann Vincent. He graduated from Fairland High School with the Class of 2008. He completed his education at Northeast Vo-Tech Center in Afton where he studied Welding. One week after graduation he started his dream of becoming a welder working on the road for the past 11 years as a pipeline welder. Tyler enjoyed being Uncle Ty Ty, and loved to spend time with his nieces and nephews when he was home for visits. He was a good cook and enjoyed collecting and trading guns. He above all was a loyal, trustworthy friend.

Those left to share Tyler's memories are his parents Terry and Kelly Vincent of Fairland, his brothers David and his wife Kristen of Florida, Matthew and his wife Shelly of Florida and Timothy and his wife Danielle of Boston, his sister Kelsey J. Vincent of Fairland, his nieces and nephews Shawn, Justin, Aliessa, Ryan, Brody and Kezlee and his paternal grandmother Kay Vincent and maternal grandmother Jackie Cooper. Also surviving are his Welding Brothers and many friends. He is preceded in death by his paternal grandfather Ron Vincent and a cousin Joshua Cox.

Honorary Pall Bearers are Justin Hill, Newt Turner, John Looper, Jaycee

Calan, Kelby & Cody Allman, Richard Clapp, Cody Oleman, Will Sampson Sr., Jason Chastain, Aaron Turner, Mark Bryant, and the Brotherhood of Welders.

“ All of you are in my heart! There is now a piece of it missing. I am so sorry for your loss. It is not just your loss...the world lost someone very special that night. Tyler was such a wonderful, caring, fun loving boy who turned into a wonderful, caring, fun loving man. His life was too short. Tyler we love you!

We had a thing about the snow...A couple of years ago I ran off the road at 2 in the morning in a snowstorm. I called Tyler and he brought his truck to pull me out. He was always there for his friends (or anyone in need). We did not see each other as much as we used to, but every time I saw him I got one of those bear hugs. Love you Tyler!!

“ My name is Jessica, I was your waitress that night. I can't imagine the pain you are going through right now but I hope I can shed some light and share with you some of Tyler's last moments. As you all know he insisted on paying for everything... when he finally closed his tab and left a fat tip on there I looked at it and said "I love you" and that gave him the biggest sh\*t eating grin ever(we could all tell he had a crush). Just a little bit later I overheard him lecturing Dylan on how bad smoking is for you... with a dip in his mouth. He then showed me a picture on his phone of him with his niece and nephew and said "these are my pride and joy". You could really tell how much he loved his family. I can't even think of words to explain how great of a guy he was. I only knew him 6 days, but 6 days was all it took.

*I met Tyler in Burlington, CO. I was visiting my son. He took my daughter and I out for supper and we were joined by a group of pipeliners. It was a memorable and enjoyable evening. I am a pharmacist and he was giving me a hard time about selling drugs. It was a hoot. The fact that both my daughter and I remember him from that one evening says a lot about his fun personality. I am so sorry for your tragic loss. My prayers are with you.*

*I met Tyler in Midland Tx. Tyler and Dustin Cambell came to work for me out there. I can say Tyler sure has a lasting impression on probably 99% of people he meets, we had so much fun working and hanging out down there. Recently I had been wondering why I haven't heard from him to find out this terrible news of his passing. He will truly be missed by everyone that knew him. When he used to call we would talk for an hour, and he would always brighten my day. I can hear him laughing and that makes me smile. RIP TV*

“ Always was a good time when you were around. Never a dull moment! Any time we went dirt raiding back in the day, you had a need to catch the animals. I still remember that “baby” raccoon biting the crap out of you. Still wouldn’t let it go lol. You will be missed very much.

“ Tyler or "Cornbread" as some of us knew you. Buddy you was without a doubt a one of a kind. I've not met too many people in my life that was as caring, kind, and giving as you. You always put a smile on my face. I'm lucky to have known you, and proud to call you my friend. Heaven got a good one. Love you Brother.
