“ I am so blessed to call Vanessa my friend! What a sweet and kind friend to have since high school days! We shared some great adventures throughout the years, vacations, motorcycle trips, camping trips. We enjoyed many nights sitting around the campfire, our favorite!!!! Times with her were always so fun and interesting. She had such a kind and giving spirit, there was such a peace about her. Her friendship will Always be a special blessing too me and I will treasure the times we shared. You were a gift to all who knew you!!!! Praying for Peace for Roger, Vivian and the family in the days and nights ahead. Fly High my Dear Friend Miss You So Much!!!!

“ Vanessa was a friend and coworker for 24 years. She was one of my first supervisors at ADH. The last couple of years since she retired she has been under my supervision since she came back to work doing extra help for us. We got a kick at how I was now her supervisor. I was in shock when I got the news and I will miss her dearly but I will see her again one day soon! Love you my friend! Much love and prayers for all the family!

“ Almost 30 years ago, Vanessa and I started working together. Little did I know then that she would become one of my most trusted friends. We shared lunches, our families and friends, and life's victories and defeats with each other. My heart is selfishly heavy but heaven is a little sweeter. Until we meet again my friend. Much love and prayers to her family.
