“ *Grandma (aka Double G as my son called you since you are his great-grandma) you are greatly loved and missed. I know you are no longer in pain and with our Lord and Grandpa which makes me happy. Until we see you again in heaven know that I will do as you requested: walk with the Lord, love my family and shoot for the stars*

“ *Grandma, I know you're at peace now. Joy wanted me to tell you that she loves you and will miss painting with you at the farm. She knows you're watching over her and Gavin with Grandpa now. Thank you for all of the egg sandwiches after school, the hugs and kisses, your words of encouragement, and for loving me and my children with all of your heart.*
