“ *Me. Siler was my 5th grade teacher the year of the OKC bombing. I remember the day the school had a memorial moment for it. He stood still, eyes closed, and then I noticed that he wiped at his eyes and sniffed. Sometimes I thought he was tough but that day I saw a softer side of him. I later learned that his daughter was in that building the day before. He cared about his students and his family. He will be missed.*

“ Mr. Siler was one of the few teachers that would get out on the playground and actually interact with students. He always made science fun especially around the time we all got to build rockets and shoot them off! RIP!! Mr. Siler, you will be greatly missed

“ *Mr. Siler was the best teacher I had. He was my first male teacher and I was scared, thinking he would be mean, and he was the best ever! I still think about memories made in his class. Rest in peace Mr. Siler, praying for the family.*

“ *I have wonderful memories of growing up in and around the Siler household. We spent many hours talking sports, playing golf and rooting for OU. Vernon was a character who loved to laugh but above all else he was a man of integrity. Our thoughts and prayers are with Gloria, Lee and Christy and families.*

“ The INTEGRIS Auxiliary is saddened at the loss of our friend and "co-worker", Vernon. We loved seeing him show up at the hospital as he worked his shift with a smile on his face, He made our patients and their families feel welcome and comforted as he assisted them through the check in and registration process at the Out Patient Surgery and ACCESS desks. He always had a funny joke to share. We'll miss you, Vernon. Thank you to his wife, Gloria and his family for sharing him with us for such a short time. Kay Walser and the INTEGRIS volunteer staff.
