“ Miss Kathy is sorely missed, because she was such an inspiration to me! I don't know why people like miss Kathy have to leave us so soon, I don't feel like I had enough time with her! Her crown will be sparkly in those pearly gates, and I was blessed to call her "friend"!!!! So miss Kathy ---- this is not "goodbye" but "later"!! Till we meet again! Love, Ronda Stephens

“ Aunt Kathy always had a good story and loads of wisdom to shared. She was the first person to take my son driving (at the ripe age of two) and she instantly became his Kathy. She always was there to lend an ear and encouraged us along the way. She is missed and loved.

“ My heart is broken. I fell in love and became family. I love her so much and I'm proud she knew it. I miss her stories and the airplane ones mostly. Her humor and the fact that she loved me instantly. yes, she was a tough cookie. Made me feel even more special. This is hard. I feel I have lost three grandmas. Blessed now to have Helen now.  
I may have just been her nurse but she quickly became my grandma and my daughters great grandma.... We love you and miss you.. Love you Helen....

“ i met Kathy while working at the Murdock Villa in Tulsa. We worked next door to each other . After a while we got a job working together. We spent many hours playing cards and drinking coffee with friends. Kathy always had wisdom to share and she really cared about the people. Meeting her was like opening a new door to a wonderful and lasting friendship that i will always cherish. Kathy always a smile and a story to tell.
