“ *I went with Virena's brother I am so sorry to hear she past away. Death isn't pleasant and brings sadness I feel in my heart we'll have a valley of peace..no suffering, kindness and love. Angel in heaven seem so at peace and now Virena will have years of enjoying happiness with our lord and Savior.*

*I am including Michael Estes Virena brother they have been separated for years. Now the last year they had peace and talked working towards healing. God works in mysterious ways life is in his hands not ours.*

*I will include Mike loved his sister deep down only were too proud.....*
