“ Hey Gg I miss you 😭. I looked you up to see how you were doing but to find you're gone to heaven I will never forget what you taught me the love you had for me. How you would take me home after work or me walking to Wendy's to get your favorite chicken nugget

“ I was Virgie Longcrier's home health aid, for a year. She was so sweet and kind and loved Dr Pepper. Home Health care can be very challenging and sometimes never giving recognition for the work the we do, but not Virgie she would always thank me once a week. Thank you Sweetie with a long hug. I will miss my daily visits with her. Rest In Peace Virgie. I will drink a Dr Pepper in your memory.

“ I’m saddened by the news of Virgie’s passing. I know her and Evy are having a great time in heaven. One of the first things I always think about when I think of Virgie is her sweet, giggly laugh. I also remember her running around town with Evy. She was our 9th grade cheerleading sponsor, which is funny because she only had boys. Ha! She had a sleep-over for all of us girls one night. She drove us to paper a yard. Ha! We ended up getting caught and she had to drive us back in the middle of the night to clean it up! Can you imagine?! 😊 The world was a better place because she was in it. Much Jesus love 💕 and prayers to her family.

“ I’m so sorry to hear this! Virgie Longcrier was the sweetest, most loving woman and I had the privilege of knowing Virgie, Hollan and her entire family for many years! She and Hollan always made me feel like a member of the family and I loved them both for that! I have many great memories of Virgie and my years with her family and know she will be greatly missed! My prayers for her sons and daughters-in-law , Hollan, and her grandchildren and great-grandchildren and numerous friends! We’ will see her again one day!

“ *Virgie has a special place in my heart. During our family reunions she always had a positive outgoing personality and when us kids wanted to go swimming she was the one that took us. After my dad passed away, she would come down to Longview to visit my mother, Marguerite Hallum. The family reunions were as important to Virgie as they were to my Mother. My prayers are with the family at this time.*

“ Was so saddened to hear of Virgie’s “home going” and I continue to lift the family in prayer. As dismayed as we (family & friends) are, I know she is happy to be “home” and I also am sure Bobbie was delighted with her arrival. May God’s grace bring comfort to all who loved her!
