“ Kathy, I am so sorry for your loss. I don't know the circumstances of what happened but I do know how badly it hurts to lose a parent. We lost my dad two years ago at Christmas. Besides my divorce, it was the hardest thing I have done in my life. There is not a day that goes by that I do not think about him or miss him.

I hope that all is well with you. One day when you are in a better place, I would love to meet up with you and catch up with you. It has been years but you have always been my best friend!!!!

I pray for peace, comfort, and joyous memories to flood you and your family at this difficult time. I am there with you in spirit dear friend.

I am including my contact information for you when and if you would like to re-connect. You are in my thoughts dear friend!
