“ *Virginia (Jenny) is my sister-in-law. She was a loving/caring wife, mother, grandmother, and family member. Jenny was multi-talented. She was an outstanding cook/baker. Our family loved the food she prepared for our meals. Jenny was my go to person for cooking recipes or how to do anything in the kitchen. She could sew to make new things or mend/repair something needing restoring. She was good at crafts. Also, she liked staying busy and using her hands and mind to figure things out. We will miss her.*

“ Virginia Miller was one of the sweetest women I've ever met. I had many slumber parties with Alicia and she always had the best snacks for us and drove us around all the time. We would visit her at work and take care of the vending machines. So many happy memories with Alicia and both her parents. Sending love and prayers your way. ❤️❤️❤️

“ Where to begin, I loved your family big! The best way to describe you all is my second family. I can remember sitting in church between both your parents coloring and do all kinds of things. I also remember being out on the farm so many times. I used to love helping your dad feed the cows. Love you all! 💕💕
