“ *We were so blessed to have been neighbors for the past 4 1/2 years with nothing but great memories, anything from his being there to supervise the time we had Tami's she shed brought in to one of the many occasions there were tree trimmers in the neighborhood. Sure enjoyed visiting with him while trying to catch crappie down at one of the local boat houses, just be careful you didn't too close to his favorite spot and get the "look" indicating you might be a little close. Our thoughts and prayers to all of you.*

“ *So thankful I got acquainted with Wally and his wife, he was a special person. May God bring his family peace of mind, and comfort of heart and soul.*
