“ My papa had the best stories, and was always such fun. I cant remember a childhood summer without him. He loved his family dearly, and I was so lucky to be a part of that family. My heart hurts so bad to have lost him, but I know he was a blessed man, and is watching over all of us. Thank you to all for the outpouring of love for my Papa. I just love him so much and its so hard to know he is gone.

“ Wayne had a heart of gold! I was lucky enough and proud to have called him my Father N Law. He loved his family more than anything and we loved him. I loved his smile and how he always warmed my heart and always made me feel loved every time I saw him! I never make a pecan pie without thinking of him, I always made one extra and set it aside just for Wayne cause he would always say where is mine, Lol! He will truly be missed. Wayne Leggett was and is a special man that loved life, and we loved him. I will always cherish my memories I have with this great man.

Love always,
Anita Leggett

We never had the opportunity to meet Wayne in person but knew so much about him through our grandchildren's mother, MeLissa Mitchell. He sounded like a very loving and fun man that MeLissa and our grandkids also loved. May you Rest In Peace Wayne.
