“ Bill was a very good friend in high school and long after. I know he suffered the past several years after his stroke and I know he is at peace now. I'm sure he will be missed, but is in a better place now. John Bergman

“ I spent a great deal of time at the Babbitt home back in the day. Janet was my best buddy and I enjoyed my time with the family. I had lost my dad just before I met the Babbitt family and enjoyed being around Bill.He seemed to get a kick out of ribbing me every chance he got. He was a great guy and will be missed by all who knew him. Love send prayers to the family. Luv ya. Lisa Mathis Nash. 918-325;1682

I didn't know Bill very well, only as the "little" brother to Emmalene and one of the Commerce kids via North Miami. Emmalene and I were friends, even shared a job at the "Bigger Burger"

My prayers and condolences fto the entire family JoAnne Campbell Hines
