“ *My heart was so sad when I read of Bill's death online. Bill was not only a mechanic, but, more than that, he was my brother in Christ. Bill was always ready to help with the vehicles when I was in a bind. However, the greatest thing about our friendship was that we always ended up talking about the Lord and His Goodness to us. Bill loved his family also, and always had something to say about them. My condolences to the family, but with the hope that we have in Christ.*

*What a great man!!! Bill was my neighbor, not only just a neighbor but  
just like family. He was a very caring individual who I will miss greatly. I  
cannot say enough good things about him. He always kept me on the  
road. I attended Northeastern State University for 2 years, in that time I  
drove from Afton everyday to Tahlequah, as you can imagine, that puts  
a lot of wear and tear on a vehicle, not to mention if something went  
wrong, I couldn't go to class the next day. There were a few times Bill  
had to work on my car in the evenings, he took time away from his  
family to help a neighbor out, he told me once, "Dont worry Jeanie,  
we'll get you through college" and man he and so many others sure  
did. I appreciate his tremendous work ethic and love for his family and  
the Lord, and am so honored to have gotten to know him over the  
years.*
