“ *I went to Bishop Ward high school with William. He was fantastic. I remember one day in class this kid was harassing another kid that couldn't defend himself and Willie stood up and punched that kid in the stomach. That guy never bothered anybody else. He was a great friend of mine. Thank you for the memories Willie. Paul Bunich.*

“ I attended St. Joseph Catholic grade school with Willie and though I didn't personally keep in touch, I never forgot him & often asked my cousin Tim, also in our class, if he had any news. Willie was one of those memorable kids who was always getting in trouble with the nuns but never seemed to mind! He drove the nuns crazy but I don't remember him ever being mean to the other kids. My sister who is three years younger, remembers that Willie was the first person to teach her about football & get her interested in the sport. We will miss you Willie,
