“ Losing Mike was a great loss to all of us. Not only did I lose a Cousin but also lost a good friend. Mike, Chuck, Jack and I were pretty much raised as brothers when we were young. Those were very good years that hold many funny memories as well as a few sad ones. We done things and got away with them that would never be allowed in todays world, but some how all of us still turned out pretty good. This was partly because of all the guidance and leadership that was so readily available from so many older Aunts and Uncles, whether wanted or not. lol

You guy's have done an excellent job in putting together photos of Mike and family. I have/had never seen most of them before. Thank you. As we get older, we realize just how little time we still have to be here on earth. Lets make the most of it and continue to love one another.

“ *John Finley*

Very sorry we missed service, but we're out of town with family. Mike was a great and funny friend. While I was nowhere near the caliber of golfer he was I enjoyed playing with him very much.

“ *Mike was a good friend growing up there in Miami; there are a lot of good memories. And even after we graduated and I went into the Air Force in 1966. My condolences to all his family; I know he will be missed.*
