“ Dear Kathy and karla,
I am so sorry for your loss. Uncle Bill was a very special man. Even though he was ready to go, I know you will miss him. The last time I saw him was my dads funeral. It had been a long time since I had seen him, but it was like we had kept in touch all that time. I love him. He and your mother were so much fun and so dear. I always loved the time our family spent together.
Love and prayers for both of you.

“ To Kathy & Karla -
So sorry for the loss of your Daddy. Kathy, since the day we first met at KFOC we have found so many "coincidences" in our lives. First we found that your Dad & my Mom were both retired Goodrich employees, so it's kind of cool that you & I were also work buddies for my 13 years at KFOC. Then we found the John & Kathy L & Jon & Kathy B connection from your NEO days....Kathy, you already know how much we love you and are here for you if you need anything. May the sadness in your heart be replaced with all your good memories from the past.
We'll see you Friday.....Hugs!
