Windy Dawn will always be my Wi Dawn She was such a strong person that could handle almost everything that came he way. I'm still in shock over her passing she will always be in my heart and soul. I truly miss her and Love her with all my Heart.

Keely Webber-Lewis - February 06, 2015 at 02:42 PM

“ *Some people inspire us, some people teach us, some people remind us... Windy did all of these things to me. She always found the good in a person, no matter what type of camo they used to hide behind. She was damaged, but never broken. No matter what life threw her way, Windy could always laugh. Her laughter was infectious; and could fill an empty house. This past Christmas, the silence that would've lingered in my house due to my Dad's recent passing, was replaced with the love and laughter of Windy and her daughters, Emilie and Jessie. I will always honor Windy for all that she inspired in me; and I hope to repay her by keeping her spirit alive in her girls (and God willing, might even have their laughter in my house next Christmas).* ”
