“ Zella was a very special lady. Also my cousin. She was one of a kind and will be missed by many. I think of her every time I have a cup of coffee. She always had a smile and kind word for everyone. See you on the other side. Love you

“ Zell was a beautiful lady. Kind heart and sweet spirit. She was a blessing to all that knew her. She'll forever be in our heart's. She just to come to momma's for coffee. Momma kept cream in the fridge for there coffee day's and I thought she'd put in her coffee but nope she'd drink it from the carton. Loved those moments and they'll forever be with me. God bless you all in your time of sorrows

“ I've had the pleasure of calling this sweet, loving, caring, fun, peppy, compassionate, people loving lady my Aunt Zel for my whole life. When I was little she told me I needed to drink lots of water so I could have big muscles like her, to make sure I always took good care of my teeth so I could keep them forever and to love Jesus. She was my first Sunday school teacher and definitely my favorite SS teacher. Aunt Zel was always there to help when needed and to show love to all. When I moved out of Commerce and was talking about transferring Logan out of Commerce school to another, she said, "oh don't do that. I can pick him up on my way to work and take him". She continued to do that until she got to where she couldn't drive. My Aunt Zel was such a special lady and there will never be another like her. I will miss her terribly but I know in heaven she is whole and completely healed. Lord willing I will see her someday.
